A Study Visa

is the **easiest** and **most affordable** way to migrate to **Canada** or any country.

Approval chance is **80% to 95%**.

We can take charge of your migration from start to finish.

BENEFITS OF USING A STUDY VISA

- You can become a **permanent resident** after your studies
- **You can work** while you study
- You don't need **IELTS** (it's not Mandatory)
- **School fees** are affordable
- No Interview
- You can take your dependent **children and spouse**
- You can **invite your spouse** over while you study.

The Whole Process

First, we apply and gain **admission** into a **University** or **College**

Then we use the admission letter, PAL and other documents to apply for a **study visa**

You then submit your **finger prints** and picture at the Visa Center of your choice (**Biometrics**)

Next, the application is **processed**

You take a **medial test**

Visa results come out

Then you **travel** to Canada
